

Accommodation

SMART's international accommodation partners database offers both budget and luxury rooms, apartments and houses. We offer serviced apartments, self-catering holiday/vacation rentals, temporary accommodation or corporate housing anywhere in the world. Whether for a short stay, or a longer rental, our access to many furnished four or five star standard properties allows families, corporate/business travellers to choose any where in the UK and abroad. You may choose to have accommodation with:

- TV, Satellite, cable or freeview digital tv.

- Serviced on a daily/weekly basis.

- 24 hour property management.

- All furnishings.

- Broadband on request.

- Utilities paid. SMART's extensive list of state agents and housing partners offer a wide range of properties in some of the finest locations from apartments designed for rent or purchase, and small studios or luxurious family houses and penthouses.

Our comfortable accommodations are carefully chosen to suit your needs, and we aim to find apartments within close proximity to your requirements.

We have partnered with some of the world's leading professionals in their lines of business to offer you serviced apartments, corporate residences, resorts, hotels, clubs, schools and vocational training institutions at any given time. From Paris, London and New York to Dubai, Manila and Bangkok.

We also offer students accommodation on a worldwide basis.
